READING LOG

Books are available at the school library, or you may be assigned a book to read. However, you may count all reading: newspapers, magazines, comic books, literature. List each article or story separately. Try to read for a half hour every day. Complete the report on the back at the end of the week. You may count the time it takes to complete the report. Return this log and the report every week.

***If your teacher or parent gives you words to practice reading and spelling, you may count the time you spent practicing the word list.**
