

REQUEST FOR CELL PHONE USE

I request that my child be allowed to bring a cell phone to school for use after they leave the school. He/she will relinquish the phone at the office when entering the building and may pick up the phone at the end of school when he/she is ready to leave the building. I accept full responsibility for his/ her use of the phone and understand that inappropriate/harassing messaging or texting is a federal offense and will result in legal consequences.

If the student does not relinquish their phone to a staff member on a regular basis, the privilege of bringing a cell phone to school will be revoked. Students who are found with cell phones will have their phones confiscated by USA staff and returned to the parent. Continued cell phone use will result in confiscation of the phone for the rest of the term.

My signature below signifies that I am requesting that my student bring a cell phone to school and that I will accept the consequences of inappropriate use:
