TOTAL HOURS FOR THE WEEK = _____

Parent: Please note that the total number of hours must equal the minimum hours in order for your child to receive educational credit. However, at least an additional hour a day of PE and/or other activities is expected for a full educational day. Parents must sign the Home Study Report weekly to indicate which educational activities the student has completed to account for a full school day. As a home study parent, you are responsible for ensuring that your child completes his/her assignments, that assignments are corrected daily, and that he/she receives adequate instruction concerning the assignments. Please contact your child's teacher if additional assistance is needed concerning this instruction.

I certify that my child completed the work as indicated on this report. I assisted my child as needed with the assignments. I provided appropriate instruction and additional assignments according to my child's needs. I met with the student's teacher on the assigned dates to review his/her work.
