

**REQUEST FOR YOU TO ACCOMPANY YOUR CHILD
ON THE UPCOMING FIELD TRIP**

Student: _____

Teacher: _____

Dear Parent:

We would like to invite you, or a trusted adult of your choice, to accompany your child on the field trip attached to this form. Your child has been identified as one who needs extra supervision during events away from school. We do not want to exclude your child from these events, but we do need to ensure the safety of all children, so we would like to request that your child be accompanied by an adult on the field trip so that the teacher can concentrate on making the experience an educational outing for the entire class.

Please confirm that you will have an adult accompanying this child by filling out this form and returning it to the school along with the field trip form. If your child arrives at school without adult accompaniment, we will be keeping him/her at school and calling for you to pick him up. Alternatively, you may keep your child home and let us know of the educational activities he conducted that day, and he will be counted for attendance.

We believe you and your child would enjoy and benefit from the field trip experience if you are able to attend. If you are unable to commit to attending, we thank you in advance for taking time to participate in enjoyable activities at home with your child. Either way, we thank you for your assistance.

Sincerely,
Margie Rouge
USA Principal

Yes, I or another responsible adult, will be accompanying my child on the field trip. I will fill out the accompanying field trip form to indicate whether I will be a driver or will need to have a ride for myself and my child.
