

Uncharted Shores Academy
READING PROGRAM

READING AGREEMENT

I understand that USA would like to have every child participate in the USA Reading Program as part of their daily homework. Students will record their reading in a reading log which will be kept in their child's Homework Folder. Students whose parents sign this agreement will be given a book from the USA library to take home. This book is to be returned to school when the child has completed it, along with a reading log indicating the time spent reading. The reading log may be completed online on the "Homestudy Report" listed under the Parent section of our website, shoresacademy.com.)

As a parent, you are agreeing to setting aside a time for your child to read, assisting your child in keeping track of the book, and returning the book to school when your child has completed it. Parents who do not sign this form will be responsible for providing their child with books on their own. Students are still encouraged to complete reading as part of their homework every day. Books may be read to the student, with the student, or by the student.

Yes, I would like to participate in the USA lending library and have my child bring home a book to read. I understand that my child will receive another book from the library when he/she returns the previous book. I will attempt to keep the book in good condition and return it to school when my child has completed the book. I acknowledge that I can also fulfill the Reading Program homework expectation using materials from home or the local library, but I will be responsible for providing these reading materials for my child should I choose to not use the USA library books.

Name of Student: _____ **Grade:** _____

Parent/Guardian signature: _____

Please return by Friday. Your child will receive his first book next Monday.
