## Sunny Day Walking Trips

We are within walking distance of several attractions which would make good physical education activities or educational field trips. Additionally, we like to take advantage of beautiful weather in Crescent City whenever we can! As the weather is not predictable, this permission slip covers a variety of field trips between now and the end of the year, so we can go on the field trip at any time the weather so permits.

PE walking trips within 15 minutes of the school may be conducted frequently in good weather. Walking field trips may be to community services (fire department, police department, post office, etc), Front Street Park, or the beach. We will try to notify parents in advance of planned activities, and the office will always be informed of the walking route. At least two adults will accompany each group of students, except on rare occasions with the administrator's permission.

I give my child, \_\_\_\_\_,  
permission to participate in the walking field trips during the school day.  
Students will leave and return to the school during school hours.

Guardian Signature: \_\_\_\_\_ Date: \_\_\_\_\_

Phone number where you can be reached during day: \_\_\_\_\_

Please make sure your child dresses appropriately for walking outdoors every day, especially ensuring that he/she is wearing appropriate shoes. This will also allow your child to play without hindrance during our recess/PE time in the gym or \_\_\_\_\_ at the playground.
