

Uncharted Shores Academy

Walking Permission

We are within walking distance of many homes, which would make a good physical education activity that can be reported on the homestudy report! Additionally, students can take advantage of beautiful weather in Crescent City! Furthermore, a brisk walk wakes the body and the soul, and the child arrives feeling refreshed and ready to learn.

We would like to encourage all children within a half hour of school to consider walking. If you are concerned about your child's safety while walking to school, consider walking with him/her. You will get exercise as well!

Walking to school is your choice, and requires no additional permission from you. However, we do not allow a child to leave school without a parent's permission. If you are going to have your child walk home from school, please sign this page so we can allow him/her to leave school. Students riding bikes **MUST** wear helmets, for they will **not** be allowed to ride their bike home without a helmet. We will lock the bike in our school to keep it safe until the child returns with a helmet.

I give my child, _____,
permission to walk home at the end of the school day. Students will be dismissed after checking out with their teacher at dismissal.
